under this law, have come under our ob-servation. Under it, if a speculator has a tax deed of a farm, and has had it on record for two years, the deed "shall be and Grist Mill of the Vassar Mill Compositive evidence that the land therein described was by such dead conveyed in fee simple to the grates therein named, and his heirs and assigns; and no suit or full running order is capable of turning and his heirs and assigns; and no suit or full running order is capable of turning order acceptable order acce thereafter by any person claiming or holding possession or title through any shout 15,000 weight of leather per year. of the public press.

To this sweeping and conclusive prowision there are three exceptions: When the land sold was not subject to taxation at the time of the assessment; when the taxes have been paid; and when the proper officer has given a certificate that no taxes were charged against the land.

property. He looks over his papers and That officer tells him complacently, "I can't do anything for you, sir." He goes to a lawyer, and he tells him that he has got to go to law to go to go to law to go to law to go to law to go to go to go to law to go to g got to go to law to annul the sale. He tells him further that the provisions of Court Commissioners, to hear and determine the same, has been declared unconstitutional, and the Legislature at its last remedies. Heavy, expensive, and uncerupon his title, which will be expensive to remove. He is at the mercy of the specucurring almost every day.

But in cases where the certificates are

lost, or where some school or highway tax has been overlooked, and the tax deed has been on record for two years, there is the end of the whole matter. The man
